

## Kids Klub (6-14 years Skiing and 7-14 years Snowboarding)

Both morning and full day programs are offered for kids aged 6 - 14 years for skiing and 7-14 years for snowboarding.

It's the perfect opportunity to make new friends while gaining the maximum benefit from skiing and boarding with our qualified children's instructors.

**Please Note:** Due to children's physical development we do not offer group snowboarding lessons to children aged 5 years or below. We do offer a range of Private Lessons for these children to cater for their unique needs when learning to snowboard.

**There is NO downloadable registration form for the Kids Klub program. You will be given a plastic tag when purchasing your Kids Klub program from the ticket office on the mountain which acts as the registration form.**

Please ensure this tag is securely fitted to each child's clothing when dropping your child off for their lessons.

### Meeting Place

Kids Klub meet for lessons outside the Big D by the stone wall. Please read the level signs to get an idea of where to wait.

### Tips for Kids Klub

- Arrive at the meeting area outside the Big D between 9.00am – 9.30am ready to ski or snowboard with equipment and appropriate clothing including gloves and a helmet.
- Participants should line up at the appropriate level banner based on skills achieved in the past. If you are unsure ask an instructor.

- Participants in Levels 1 (Koala), 2 (Platypus), 3 (Possum) and first day 4 (Cockatoo) will not require poles. To avoid loss or misplacement these should not be brought to the meeting area.
- Once your child is at the appropriate level banner and you have been greeted by the instructor it is best to clear the area to avoid congestion and allow the students to be placed in line and have their names recorded.
- The classes will leave the meeting area at 9:30am to commence the lesson by instructors assessing the students' skill levels on the Big D. If arriving after this time please report to the supervisor. While every endeavour will be made to place your child in a class there may be times when it is too late to join in.
- The lesson finishes at 3:15pm (full day) and 12:15pm (half day) at the meeting area outside the Big D at which point a parent meeting will take place with the instructor providing feedback on your child's progress. Children will only be released when a parent or designated adult signs them out.
- Arrangements can be made with your child's instructor to meet at Hotham Central Bus Stop if their group has skied in that area. Please make all arrangements with your child's instructor.
